Outstanding Board Results

The session began with the biggest achievement- the outstanding Board results of classes XII and X wherein most of the students excelled with distinctions in their subjects.

Delhi ... on Foot

The school takes immense pride in releasing a new book – **Delhi ... on Foot**. The book is an amalgamation of fragments of history..., recreating the era of struggle, in which this great urban centre was built. The school's Photography Club in collaboration with the History and English Department has tried to capture the glorious history of Delhi and its evolution through the lens. The students walked through the various streets and labyrinths of Delhi to get a firsthand experience of the different aspects of the city. We bring to you the city of Delhi as seen through the eyes of these students.

Training Self - Defence Camp

(21st April – 6th May, 2015)

A self-defence training camp in association with Special Police Unit for Women and Children for girl students of classes VI-X from 21st April - 6th May 2015. The students learnt a variety of styles, moves and techniques to help them quickly disable an attacker and take advantage of time and space to make a quick getaway.

Various moves, kicks, punches, twists and turns used in self-defense or martial arts also helped the students to increase flexibility, strength and stamina.

Shri Vijay Kumar, Additional SHO, Ashok Nagar Police Station was the Chief Guest for the Closing Ceremony of the camp along with the parents.

Outdoor Photography session (25th April, 2015)

Outdoor Photography and Sketching session was held in the month of April at National Museum, New Delhi wherein 54 students of classes VI – XII participated. The students were briefed in advance on how to click and sketch live sculptures on-the-spot. Their joy knew no bounds as they clicked a large number of amazing pictures with dramatic light and shade. The students gained insight on the historical facts and stories, too.

Educational Trip To Ranthambore (6th – 9th May, 2015)

The Art Camp organized at Ranthambore enhanced the creativity of students. In addition to art making, students were also engaged in discussions, live demonstrations and listening to live music, traditional Rajasthani folk dance, photography at Jungle Safari and Bird watching. The Camp reinforced the importance of a creative journey.

Sports Curriculum Training Programme at Australia (23rd May – 7th June, 2015)

A team of 14 Physical Instructors attended a 15 days Intensive Training Programme at Perth, Australia to interact with experts in the field and to learn how to develop a strong sports curriculum of International Standard. Besides acquiring new skills and learning different teaching methodologies, they also got an insight into planning and executing the sports curriculum and fostering better relations with the community at large.

A Visit to NASA Kennedy Space Centre, Florida (USA) (3rd – 12th June, 2015)

Four students along with a teacher visited Kennedy Space Centre of National Aeronautics and Space Administration (NASA), Florida (USA) during summer vacations. The aim of the trip was to give students a firsthand experience of astronomy related activities and provide them a forum to interact with best minds of the world. Entering the simulator and getting the feel of an astronaut in space was a lifetime experience for them. They also got the opportunity to interact with the astronauts. A visit to the top universities like Harvard and MIT was also a part of the trip.

Microsoft Office Specialist Certification (25th – 29th May, 2015)

Microsoft Office Specialist Certification is the credential required by academia and business. It is recognized globally as a premier credential to validate their knowledge, skills and abilities relating to the Microsoft Office Applications like Word, Excel, and PowerPoint. This is intended to upgrade the existing knowledge that the students have on MS-Office Applications and give them a competitive edge to face the world with a Microsoft Certification. 30 Students along with 7 teachers successfully cleared the International Certification Exam.
